

B. EAR PROTECTION

05 EAR PLUG - DISPOSAL TYPE

- ▶ **Type** - Earplug dispenser with foam earplugs
- ▶ **Features** - Very soft polyurethane foam provides comfortable and close - fitting seal against harmful noise
- ▶ **Application** - Construction & Mining Drilling, Cutting
- ▶ **Compliance** - SNR:27dB, EN352 - 2, IS:9167

06 EAR PLUG - REUSABLE

- ▶ **Material** - Food Grade Soft Silicon Rubber
- ▶ **Type** - Earplug Reuse
- ▶ **Features** - Very soft polyurethane foam provides comfortable and close - fitting seal against harmful noise
- ▶ **Application** - Construction & Mining Drilling, Cutting
- ▶ **Compliance** - SNR:27dB, EN352 -2, IS:9167

07 EAR MUFF - 23dB

- ▶ **Material** - Silicon Rubber
- ▶ **Type** - Head Mounted Ear Muff
- ▶ **Features** - Soft foam - filled cushions and large ear cup openings to provide greater protection and comfort
- ▶ **Application** - Construction & Mining Drilling, Cutting
- ▶ **Compliance** - SNR:23dB, EN352 - 1, IS:9167

08 EAR MUFF - 26dB

- ▶ **Material** - Silicon Rubber
- ▶ **Type** - Head Mounted Ear Muff
- ▶ **Point** - Ventilation at Highest Point to allow Cool Airflow and Maximum Comfort Inside
- ▶ **Features** - Soft foam - filled cushions and large ear cup openings to provide greater protection and comfort
- ▶ **Application** - Construction & Mining Drilling, Cutting
- ▶ **Compliance** - SNR:26dB, EN352 - 1, IS:9167
